The 10th Annual ASEAN Tax Conference 2019 on “Technology and Taxation in ASEAN Countries: How to Address the Tax Challenges amid Technological Disruption”

The 10th Annual ASEAN Tax Conference 2019 on “Technology and Taxation in ASEAN Countries: How to Address the Tax Challenges amid Technological Disruption” was held from 20-23 September 2019 at Royal Orchid Sheraton, Bangkok.

The conference aimed at discussing the tax challenges in ASEAN countries amid technological disruption, with a focus on how to address these challenges. The event brought together experts and stakeholders from various ASEAN countries to share knowledge and experiences in tax legislation, administration, and enforcement.

The conference covered a range of topics, including tax policy development, tax administration, and tax dispute resolution. It also provided a platform for networking and collaboration among tax professionals from different ASEAN countries.

The 10th Annual ASEAN Tax Conference 2019 was co-organized by the Tax Department of Thailand and the Ministry of Finance. It was supported by various ASEAN member states and international organizations.

The conference was a significant event in the field of taxation, providing valuable insights and perspectives for policymakers, tax officials, and businesses in the ASEAN region.
