H.E. Kong Vibol

Minister Attached to the Prime Minister
and Delegate of the Royal Government in charge of
Director General of the General Department of Taxation

Subject: AmCham Tax Forum 2025

Dear **Excellency Kong Vibol**,

On behalf of the American Chamber of Commerce in Cambodia (AmCham), I would like to express my thanks and appreciation for the strong support of yourself and the officials at the General Department of Taxation (GDT) for the 2025 AmCham Tax Forum.

The collaboration between the GDT and AmCham during the tax forum demonstrates the Royal Government of Cambodia's strong commitment to engaging and supporting investors. During the forum, senior GDT officials publicly answered questions from investors and company representatives, highlighting the GDT commitment to transparency and clarity.

The forum provided an opportunity to review the progress and implementation of GDT innovations and reforms, ranging from improved efficiency resulting from the digitization of processes to the introduction of standard operating procedures that streamline tax audits and investigations.

We were honored that this was the first forum held at Tax Tower, a building with world-class facilities and a symbol of the GDT's evolution. Tax Tower will enhance taxpayer services and provide a range of services to the business community, including office space, data center services, and event space. We appreciate the incorporation of Cambodian design elements, combined with a high level of craftsmanship, which makes a valued contribution to the architectural legacy of modern Cambodia.

We look forward to being a partner in your ongoing efforts to provide transparent revenue collection, supporting the economic development of Cambodia.

Sincerely,

Mr. Casey Barnett

President
